IELI Holidays

The IELI academic calendar includes 4 scheduled short holidays of 1-2 weeks each per year. IELI also allows one 5-week holiday for any student enrolled in a course of 30 weeks or longer. The dates for this holiday must match the dates of a scheduled IELI session and cannot be spread over multiple sessions.
Students must apply for this holiday break by submitting a Holiday Break Request form at least 20 days prior to the start of the requested holiday. Refer to Refunds Policy below for details of refunds for holiday breaks.

Students on shorter course may not take holidays other than regularly scheduled IELI holidays.

Deferrals and suspensions

Students may request a deferral of their studies if they can demonstrate compassionate or compelling circumstances. These may include circumstances where:

- there is a serious illness or death in the student’s immediate family
- the student has a medical condition which prevents them studying
- the student has experienced a traumatic event which has made studying difficult

To request a deferral on the grounds of compassionate or compelling circumstances, the student must make an appointment to speak to the IELI Director (or delegated nominee) to discuss their circumstances. If the Director approves the deferral, the student must submit a Deferral Request Form to the Admissions team.

Refer to the Refund Policy below for details of refunds for deferrals.

IELI may suspend a student’s enrolment in certain circumstances, including but not limited to, on the basis of:

- misbehaviour by the student
- failure to pay fees
- a breach of course progress or attendance requirements as outlined in this agreement

If IELI suspends your enrolment for any reason, you may appeal this decision as per the Appeals Process outlined below.

Deferral or suspension of your enrolment may affect your visa. Please consult the Department of Home Affairs for more information.

Late Arrivals

Students must arrive at IELI on the day of course commencement as stated in the CoE. If a student’s arrival is delayed for any reason, the student must notify Admissions prior to the course commencement date.

A student may be granted permission to start their course after the course commencement if they are able to do so within the first 2 weeks of the course. Students unable to start their course in this time will be asked to defer to the following session. Refer to Refunds Policy for details of applicable refunds.

Withdrawals and transfers to other providers

Students can withdraw from their course 28 days or more prior to course commencement, or at any time prior to course commencement if a student visa is refused, for a full refund of course fees less an administrative fee of 5% of the course fees paid up to a maximum of $500.
Students withdrawing after this period will receive a maximum refund of 70% of tuition fees. Refer to Refunds Policy for details.

To withdraw, students must submit a Cancellation Form to the Admissions team.

Upon withdrawal, the student's CoE will be cancelled. The student should contact the Department of Home Affairs for information on how this will impact their student visa.

A student on a student visa who wishes to withdraw from their course to transfer to another provider before completing at least 6 months of their principal course requires a Letter of Release from the IELI Director (or delegated nominee). This may be granted after case-by-case consideration of special circumstances such as academic progress, course suitability, or future education opportunities.

- Letters of Release will not be granted if the student has outstanding fees.
- Letters of Release are provided at no additional cost to the student.
- Letters of Release may take up to 5 business days to be processed.

Provider default

In the event that IELI cancels a student's enrolment due to provider default, the student will be notified in writing and will receive a full refund of all unused tuition fees.

If IELI is unable to provide a refund, the Tuition Protection Service (TPS), administered by the Director of TPS, will place the student in a suitable alternative course at no extra cost to the student. Finally, if TPS cannot place the student in a suitable alternative course, the student will be eligible for a refund as calculated by the Fund Manager.

Changes to tuition fees and additional fees

Tuition fees are subject to change and any course extensions will be charged under the tuition fees applicable at the time of the extension application.

Additional tuition fees will apply for:

- Holiday and/or Extension classes (if required)
- Additional one-on-one tuition (if requested)

The student will be informed of any additional fees for the above courses when these are offered.
